15	50 - 55 kg	74 - 79 cm	94 - 109 cm	300016	300036	300056

Features & Benefits

- **Post-surgical clothing** for dogs and cats
- Provides **a barrier to contamination and patient interference**
- Embedded copper **protects and promotes healthy skin**
- **In most cases replaces the cone**, allowing freedom of movement and natural behaviour during recovery
- **Easy-On Step-In Zipper** allows for a quick and less stressful application for all involved
- **Protects against the sun** (30 UVA and UVB Protection)
- **Ergonomic design** with stretch fit
- 65% cotton, 30% Polyester, 5% Elastane

How to measure

*The weight is the most accurate measure to find the right size; however, for breeds such as greyhounds and bulldogs the weight cannot be used.
